

IT Student Placement Opportunities – Viridian Group x 5

Your new company...

As Viridian Group we are already working for you every day. How? As Ireland's leading energy provider, we generate and supply energy to hundreds of thousands of homes and businesses across the island of Ireland via our **Power NI**, **Power Procurement** and **Energia** businesses. Chances are, when you flick the switch we've had something to do with the lights coming on.

As you can imagine, powering over 1 million customers takes a pretty big team of people who as powerful and energetic as the electricity we supply. Our industry is in a constant state of change and we need exceptional people like you to help us deliver the future of energy. So... are you ready to switch on your career with Ireland's leading energy provider?

Your new role...

The successful candidate will report to one of our Retail Solutions Managers and/or our IT Delivery Managers and will be responsible for providing business support for the Retail Solutions team and Strategic Projects team, including providing application support, development of data architecture, IT solution design, software development, testing and process improvement. With a positive attitude and willingness to learn, you will need to have the drive to add value to our business. In return, you will be given every opportunity to acquire new skills and gain a valuable working knowledge of an IT role.

Our mission is to develop great people with great skills, so if you are successful we offer a student development programme called Ignite, which will ensure you have everything you need to be successful in the role and to grow your career.

Main Duties

- Provide 1st line application support for Viridian business (Service Desk)
- Identify any problems with the new system functionality and business processes
- Propose solutions to any problems identified
- Developing new test scripts / methodologies to test the new functionality and processes
- Testing new IT functionality and related business processes
- Support implementation of the new IT functionality and business processes into production, including providing training material.
- General IT Tasks/Support

SALARY AND BENEFITS

What will you get?

A very competitive salary with the opportunity to earn a bonus of up to £500 at the end of your placement. This role will be based in our newly refurbished offices in Belfast which offers free coffee/tea and kitchen facilities, along with soft rooms for informal meetings and a recreational area for break times.

The successful candidate will be enrolled into the Company Pension Scheme with an employer contribution of up to 6%, and will also avail of 20 days holiday per year plus 11 statutory days. A range of additional employee benefits include: employee assistance programme, social clubs and free gym membership.

IGNITE Programme

On placement you will be welcomed onto the IGNITE Student Placement Programme where you will learn more about team building, personal effectiveness, building resilience and presenting yourself, all skills that will not only benefit you on placement, but throughout your whole career. Find out more about our student Programme by visiting us at Student Fairs or email us at: hr@viridiangroup.co.uk
